Hornet Marine adds Bayside Yacht Sales to dealer network

Bristol, Conn. (March 9, 2011) – Hornet Marine, a new manufacturer of fully customizable 17-foot powerboats, proudly announces that Bayside Yacht Sales & Brokerage has joined the growing network of Hornet Marine dealers.

Bayside Yacht Sales will add the Hornet 17, Hornet Marine's 17-foot sport runabout, to the company's diverse product line up. With two waterfront sales locations on Florida's west coast, the company's selling expertise includes sailboats, powerboats and trawler vessels. Since 2003, Bayside Yacht Sales has also been Mainship's top selling and servicing dealer worldwide.

After attending the Miami International Boat Show in February and seeing a yellow Hornet 17 on display, Robert Misztak of Bayside Yacht Sales says he was immediately drawn to the boat. "Not only because of the color, but also the boat's quality of workmanship and attention to detail," says Misztak. "Not only would I like to own a Hornet, I also look forward to being a Hornet Marine dealer and representing their exceptional product."

Bayside Yacht Sales will display a Hornet 17 at the Palm Beach International Boat Show March 24 – 27. For more information on Bayside Yacht Sales and their office locations, visit www.baysideyachts.com, or contact Robert Misztak at (941) 748-7600.

Hornet Marine will continue to expand its dealer network across the United States this year. For more information about becoming a Hornet Marine dealer, contact Jason Bolas at (860) 516-3141 or jayb@hornetmarine.com.
